RESOLUTION NO. 451

AMENDING THE 2011 COUNTY BUDGET TO EXPAND ONONDAGA COUNTY'S "SAVE THE RAIN," GREEN INFRASTRUCTURE PROGRAM

WHEREAS, in January 2011, the Onondaga County Legislature adopted and the County Executive signed Local Law No. 1-2011 establishing a program to promote Capacity Management, Maintenance and Operation of public sewers throughout the County's consolidated sewer district; and

WHEREAS, the intent of Local Law No. 1-2011 is to provide the tools and administrative authority necessary to help reduce sanitary sewer overflows into our County's waterways as well as reduce the long term capital costs associated with managing wet weather sewer capacity; and

WHEREAS, Section 12 and Section 20 of this local law permit the County to establish, and fund Program(s) of Public Works to abate sources of inflow and infiltration into community-owned sanitary sewers; and

WHEREAS, communities throughout the consolidated sewer district own and operate aging waste-water conveyances that are often impacted by the inflow and infiltration of storm water into dedicated sanitary sewers during rain events; and

WHEREAS, Onondaga County's Save the Rain program has been advanced to promote the use of Green Infrastructure technologies, such as green roofs, bio-retention swales, porous pavement parking facilities, and tree plantings, to mitigate the impacts of wet weather events in areas served by combined sewer systems; and

WHEREAS, Onondaga County is a national leader in utilizing Green Infrastructure approaches to mitigate the harmful impacts of Combined Sewer Overflows (CSOs), as recently recognized by US EPA as a Green Infrastructure Partner Community; and

WHEREAS, these proven technologies should be utilized and deployed to mitigate the impact of storm water intrusion in areas served by dedicated sanitary sewer systems that are receiving excessive inflow and infiltration from storm events; and

WHEREAS, Towns and Villages within the consolidated sewer district have expressed interest in developing Green Infrastructure programs in partnership with Onondaga County and its technical experts, as they work to manage wet weather capacity constraints within their jurisdictions; and

WHEREAS, in October 2010, Onondaga was awarded \$3 million from the State of New York's Environmental Protection Fund for Green Infrastructure Projects constructed on County properties commonly referred to as the Civic Strip; and

WHEREAS, this \$3 million grant will offset the costs associated with Onondaga County's required compliance with the Onondaga Lake Cleanup Amended Consent Judgment; and

WHEREAS, the Onondaga County Legislature wishes to reprogram the previously authorized local dollars for Civic Strip Green Infrastructure projects to projects outside of the City of Syracuse's combined sewer area; and

WHEREAS, to implement Local Law No. 1-2011, the County Executive requests that the Legislature appropriate an initial \$200,000 to be used for the expansion of the Save the Rain education and outreach campaign to all communities located outside the City of Syracuse limits but within the Consolidated Sanitary District; now, therefore be it

RESOLVED, that, pursuant to the procedures set forth in Local Law No. 1-2011, the County Executive is hereby authorized to solicit proposals for Green Infrastructure projects, located outside the City of Syracuse, but within the Consolidated Sanitary District, and intended to mitigate inflow and infiltration of storm water into the sanitary sewer system, through the use of Green Infrastructure technologies; and, be it further

RESOLVED, that upon request by the Commissioner of Water Environment Protection, the County Executive shall request this Legislature to adopt subsequent resolutions, as needed, to provide additional funding in an amount not to exceed \$3,000,000 for approved Green Infrastructure projects located outside of the City of Syracuse but within the Consolidated Sanitary District; and, be it further

RESOLVED, that the County Executive is authorized to enter into agreements to implement the intent of this resolution; and, be it further

WHEREAS, in recognition of the sacred nature and historical significance of this parcel, the County of Onondaga desires to pursue the eventual transfer of the parcel to the Onondaga Nation to use the property for Traditional Uses, with such uses including ceremonial gatherings, hunting, fishing, camping, cultivation and harvest of food and medicinal plants, education and passing down of traditions to the Onondaga Nation children, preservation of language and culture, leisure, recreation, sport, worship, wildlife conservation and such other uses as may be agreed upon; and

WHEREAS, before the transfer can happen, the County and the Onondaga Nation agree that it is necessary and prudent to be assured by the New York State Department of Environmental Conservation and by the Haudensaunee Environmental Task Force that the parcel can be remediated to a level that will support the Traditional Uses; and

WHEREAS, if the County and Onondaga Nation agree that the parcel can be satisfactorily remediated to a level that will support the Traditional Uses for which the Onondaga Nation desires to acquire it then the County and the Onondaga Nation will enter into further discussions to resolve any additional issues, including the need for any required state approvals, the release of any environmental claims and the execution and delivery by the Onondaga Nation of a release of claim and covenant not to sue Onondaga County, its officers, agents and employees, for which the Onondaga Nation may acquire or otherwise assert standing to sue by virtue of the transfer of the parcel, and resolution of any other outstanding environmental claims asserted or that could be asserted by state and/or federal agencies; and

WHEREAS, upon satisfactory resolution of all issues attendant to the transfer, it is the desire of the County to provide for the eventual transfer of the parcel known as Murphy's Island to the Onondaga Nation for Traditional Uses, at no cost to the Onondaga Nation; now, therefore be it.

RESOLVED, that this Legislature hereby memorializes its support for the eventual transfer of the parcel currently known as Murphy's Island, located on Onondaga Lake, to the Onondaga Nation for Traditional Uses, at no cost to the Nation, upon the satisfactory resolution of all issues attendant to the transfer of said parcel; and, be it further

RESOLVED, that the County Executive is hereby requested to pursue resolution of the additional issues necessary and appropriate to the transfer while remediation of the parcel to a level suitable for Traditional Use remains under consideration by the parties; and, be it further

RESOLVED, that to effectuate the transfer of such parcel to the Onondaga Nation, the County must separately enact a local law reflecting the understanding of the parties at that time and file such law in accordance with Municipal Home Rule Law.

LOCAL LAW NO. \_\_\_\_\_ - 2011

A LOCAL LAW AMENDING LOCAL LAW NO. 11-1990, AS AMENDED BY LOCAL LAW NO. 19-1991, AUTHORIZING THE LEASE AND SUBLEASE OF COUNTY PROPERTY FOR OPERATION OF THE ERIE CANAL MUSEUM

BE IT ENACTED BY THE ONONDAGA COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, NEW YORK, AS FOLLOWS:

Section 1. The County of Onondaga continues to recognize the important role that the Erie Canal Museum serves in maintaining the only existing weighlock building in the United States, preserving our rich local history, and educating visitors on the significant impacts of the Erie Canal.

Section 2. By Local Law No. 11-1990, as amended by Local Law No. 19-1991, the County of Onondaga authorized the lease of property to the Erie Canal Museum, Inc., to be used as a Canal Museum and Visitor Center.

Section 3. It is necessary to provide for revised lease terms and to amend said local law.

Section 4. The County hereby authorizes the lease to Erie Canal Museum, Inc. of the buildings known as the LaManna Building and the Weighlock Building, and the Visitor Center (also referred to as the Urban Cultural Park), located at Erie Boulevard East in the City of Syracuse (collectively, the "property"). Erie Canal Museum, Inc. shall use and operate the property as a Canal Museum and Visitor Center. The County further authorizes a sublease of the Visitor Center from Erie Canal Museum, Inc. to the City of Syracuse, as the State requires the City to retain a proprietary interest in the Visitor Center. The term of the lease and sublease shall be from the date of execution and continue through December 31, 2015. Said lease and sublease shall automatically renew for a term to extend through December 3, 2020, provided that the County enacts a local law providing for such renewal. Provided, however, that the County Executive may terminate the lease of the LaManna Building at any time by providing ninety days advance written notice. The consideration for the lease and sublease of the property shall be in the amount of one dollar, payment waived.

Section 5. Local Law No. 11-1990, as amended by Local Law No. 19-1991, hereby is amended to reflect the foregoing.

Section 6. A review of applicable State Environmental Quality Review Act (SEQRA) regulations, establishes that this action is exempt from further review.

Section 7. The Onondaga County Executive, or her designee, is authorized to enter into agreements and execute documents for the lease of the above described premises and to implement the intent of this local law.

Section 8. This Local Law shall is subject to permissive referendum and shall take effect upon filing and in accordance with Sections 20, 21, and 24 of the Municipal Home Rule Law.
